***Claim Rejections - 35 USC § 102***

Claim 30 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by Casey.

One of panels 2 is the "panel" which is attached to the remainder of the panels, which make up the base fabric.

***Response to Arguments***

The Examiner regrettably rescinds comments allegedly made during the interview of 5/5/05 (the official record of the interview does not confirm Applicant's summary of the agreements reached). Such comments, if made, do not constitute an official action.

Claims 1-8,11-16 and 21-29 do not read on the elected embodiment of Figs. 2A-C. The limitation that a substantial portion of the removable fabric is located on a surface of the base fabric is disclosed as being represented by Figs. 1A-C. It is clear that the discussion of Figs. 1A-C does not apply to the embodiments of Figs. 2A-C, i.e. Figs. 2A-C provide an opening at 108. Consequently, claims 1-8,11-16 and 21-29 are not considered at this time as they are drawn to a nonelected embodiment.

***Conclusion***

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
